Re: Application for Award of the Environmental Label according to DE-UZ 76 for  
" Low-Emission Panel-Shaped Materials (Construction and Furnishing Panels)  
for Interior Construction"

Dear Madam,  
Dear Sir,

to make sure that your application for Award of the Environmental Label is processed without delay you are kindly requested to submit the following documents to RAL gGmbH:

- Product-related informal application on your letter-head paper indicating the federal state where the applicant's production plant is located that manufactures the products to be marked with the label.
- Recipe for the production of the wood-based material including, if the occasion arises, coating.
- Fully completed "Annex 1 to the Contract" according to DE-UZ 76.
- Fully completed "Annex 4 to the Contract" according to DE-UZ 76.
- Fully completed record of wood (Annex 2)
- FSC/PEFC certificates of raw material suppliers (certificate number listed in Annex 2) or Annex 3 (for uncertified wood, signed by independent certifier)
- Test report confirming that no Bisphenole A was detected in boards from expanded glass (extraction method, HPLC-MS), if applicable
- product-specific environmental product declaration (EPD)
- Test report (indoor air quality) in accordance with CEN TS 16516
- Test report of Bisphenole A emission of expanded glass boards at 60°C, if applicable
- optional: Test report in accordance with DIN ISO 16000-28 in conjunction with VDI 4302 (odour testing)
- consumer information
- Expected sales of the products to be marked with the Environmental Label during the year of application. This information is required only if, so far, no other contract on the Use of the Environmental Label according to DE-UZ 76 has been concluded with RAL gGmbH.
